## NEW FOR 2010

- Lifetime fur harvest permits are now available for residents.
- The grouse hunting season is extended one month, closing on Jan. 31. The change aligns the season with the close of pheasant and quail seasons and allows more opportunities for late-season mixed bag hunting of all three species.
- The licensed “experienced” hunter, if age 19-29, accompanying the holder of a hunter education exemption certificate **MUST** be certified in hunter education.
- Restrictions on hunting near an inhabited dwelling or feedlot are changed. Hunting with a rifle is prohibited within 200 yards and hunting with all other equipment or trapping is prohibited within 100 yards. Trapping also is prohibited within 200 yards of any livestock crossing (road or bridge). The exception to these is when permission to hunt or trap has been granted by the owner or tenant.

## REGULATIONS AND STATUTES

Sportsmen are responsible for knowing the regulations and statutes (state laws) before hunting or trapping in Nebraska. Failure to do so is not an excuse. This publication is only a guide to those regulations and statutes.  
To read them, visit the following links:

**Regulations:**  
<http://outdoornebraska.ne.gov/admin/regulations/regulations.asp>  
**Statutes:**

## PERMITS AND ELIGIBILITY REQUIREMENTS

### WHO NEEDS A HUNT PERMIT?

- Every resident\* 16 years of age and older who hunts upland game or waterfowl needs a Nebraska hunting permit.
- Every nonresident, regardless of age, who hunts upland game or waterfowl, must have a Nebraska nonresident hunting permit.
- A farmer or rancher and immediate family who actually live on the land they own or lease may hunt upland game birds (except turkey), squirrels, rabbits, and furbearers within a hunting season on that land within current regulations without obtaining a Nebraska hunting permit or Habitat Stamp.

### WHO NEEDS A FUR HARVEST PERMIT?

- Any resident\* 16 years of age and older who hunts, traps or pursues furbearers with dogs needs a Nebraska fur harvest permit.
- Any nonresident, regardless of age, who hunts, traps or pursues furbearers with dogs (during take seasons), must have a Nebraska nonresident fur harvest permit.

### WHO NEEDS A HABITAT STAMP?

The following must have a Nebraska Habitat Stamp to hunt game species or to harvest furbearers in Nebraska:

- every resident\* 16 years of age or older
- all nonresidents regardless of age

*\*A resident is any individual who has lived in Nebraska continuously for 30 days and intends to become a resident of this state. A new resident should be prepared to provide documentation of residency (driver’s license, voter registration card, etc.) to an officer when in possession of a resident permit.*

## OTHER TYPES OF HUNT PERMITS

### Nonresident 2-day

- The permit is valid for two consecutive days of upland game hunting, as printed on the permit.
- Permit only sold Nov. 1 - Dec. 30, 2010, electronic issuance only. The permit is valid for two consecutive days from the day before Thanksgiving through Dec. 31, 2010.
- Only one permit may be purchased per year.
- Applicable stamps must be purchased.

### Veteran

- Nebraska veterans 64 years old or older (honorable or general discharge under honorable conditions) may purchase a combination hunt/fish permit for \$5.
- The \$5 fee entitles Nebraska to obtain more in federal funding to promote and improve outdoor recreation.
- Eligible resident disabled veterans receive a lifetime fee-exempt permit (50 percent service connected or 100 percent disabled nonservice connected).
- Nebraska state stamps are included for no fee.

### Senior

- All residents 69 years old and older may purchase a combination hunt/fish permit for \$5.
- The \$5 fee entitles Nebraska to obtain more in federal funding to promote and improve outdoor recreation.
- Nebraska state stamps are included for no fee.

### Deployed Military

- A Nebraska resident who was issued a valid hunt or hunt/fish combination permit and who was deployed out of the state for six months or more with a branch of the United States military shall, upon returning to the state, be entitled to receive, on a one-time basis, a discounted permit for \$5.
- Restrictions apply; contact Game and Parks for more information about eligibility and application requirements.
- Applicable stamps must be purchased.

### Lifetime

- Available for hunting, hunt/fish combination and fur harvest (residents only) permits.
- A \$100 Lifetime Aquatic Habitat Stamp is included in the cost of all lifetime fishing and hunt/fish combination permits.

## MORE ON PERMITS AND STAMPS

- Permits and stamps are valid for the calendar year as dated. Permits must be signed by the permit holder to be valid unless issued electronically.
- Military personnel and full-time students stationed or attending school in Nebraska for more than 30 days may obtain a resident permit.
- Nonresident fur harvest permits may be issued only to residents of states that sell similar permits to Nebraska residents.

- It is unlawful to lend or transfer a permit to another person or to borrow a permit from another person.

## PERMIT REVOCATION

- Under Nebraska law, hunting privileges may be revoked for some game law and court-determined violations. This could include certain one-time offenses by individuals or repeated violations by habitual offenders.
- Any person whose privilege to hunt, fish or harvest fur has been suspended or revoked in another jurisdiction within the United States or Canada also shall be prohibited from obtaining a permit for such activity in Nebraska for the duration of the suspension.

## WHERE TO BUY SMALL GAME PERMITS

- **OutdoorNebraska.org**
- Permitting offices
- Permit agents

## HUNTER EDUCATION

Certification is required for all hunters ages 12 through 29:

- hunting with either a firearm or crossbow must have on their person proof of successful completion of Firearm Hunter Education.
- who have not completed a Firearm Hunter and/or Bow Hunter Education course may obtain an Apprentice Hunter Education Exemption Certificate from the Commission.

## HUNTER EXEMPTION CERTIFICATE

Apprentice Hunter Education Exemption Certificate provides the novice hunter age 12 and older an opportunity to try hunting and receive training from an experienced hunter before completing Hunter Education. A hunter using this certificate must be accompanied\* at all times while hunting. This certificate may be obtained once in each person's lifetime, expires on Dec. 31 of the year purchase and may be renewed for an additional year. The fee is \$5.

*\*Accompanied is defined as: in the presence of a licensed "experienced" hunter age 19 or older. The "experienced" hunter may not accompany more than two holders of an exemption certificate at one time. The "experienced" hunter must at all times be in unaided visual and verbal communication with the child under age 12 and/or the "apprentice" hunter ages 12 through 29. The "experienced" hunter must, if age 19-29, be certified in hunter education.*

## HARVEST INFORMATION PROGRAM (HIP)

The goal of this program is to help state and federal wildlife managers estimate the number of migratory birds harvested each year. The estimates help biologists set limits and seasons. The requirements are:

- Anyone planning to hunt doves, ducks, geese, snipe, rail, coot, or woodcock in Nebraska between Aug. 1, 2010, and July 31, 2011, must register for this free program.
- It is required for residents age 16 and older and all nonresidents, regardless of age.
- Hunters must register in each state in which they hunt.
- Register at (877) NEHUNTS (634-8687) or nehip.com.

## HUNTING AND TRAPPING INFORMATION

### SHOOTING HOURS

30 minutes before sunrise to sunset

### FURBEARER SHOOTING AND TRAPPING HOURS

24 hours a day

### METHODS OF TAKE:

#### Upland Game and Migratory Game Birds:

- Shotgun – Only 10 gauge or smaller may be used for all game birds. For waterfowl and other migratory game birds, including doves, shotguns must be plugged to limit shell capacity to no more than three shells in the chamber and magazine combined. No plug is required for upland game birds. No plug or gauge restriction exists for cottontail rabbits and squirrels.
- Rifle or Pistol – Illegal for all game birds
- Bow and Arrow – Legal for migratory game birds, rabbits, squirrels, and upland game birds. Crossbow – Legal for rabbits, squirrels, upland game birds except turkey. NOT legal for migratory game birds.
- Trapping – Legal for furbearers, cottontails, jackrabbits, and squirrels during open seasons.

FIREARM RESTRICTIONS

- During the November firearm deer season, it is unlawful to hunt wildlife other than deer with a centerfire rifle or centerfire handgun. **EXCEPTION:** This does not apply to a holder of a valid unfilled firearm deer permit while hunting in the unit for which the permit was issued. It also does not apply to a bona fide farmer or rancher who owns, or leases, or resides upon such farm or ranch land or a member of the immediate family of such farmer or rancher while hunting on such farm or ranch land.
- It is illegal to have or carry a loaded shotgun in or on any vehicle on any highway or roadway. A shotgun is considered loaded if there is a shell or shells in the chamber, receiver or magazine.

NONTOXIC SHOT

Nontoxic shot is required for all shotgun hunting on waterfowl production areas, national wildlife refuges and some state wildlife management areas, as posted. It is unlawful to use or possess shotgun shells loaded with or containing shot other than nontoxic shot while hunting, taking or attempting to take waterfowl. For the latest legal shot types, check the Waterfowl section at **OutdoorNebraska.org** or <http://www.fws.gov/migratorybirds/currentbirdissues/nontoxic.htm>.

LEGAL TRAPS AND SETS

- Furbearers may be trapped only with snares, metal-spring traps with smooth jaws or box traps.
- Conibear-type traps with a jaw-spread larger than 8 inches may not be used unless they are placed under water or at least 6 feet above the ground.
- During upland game bird seasons, it is unlawful to use snares on any land owned or controlled by Game and Parks, on U.S. Fish and Wildlife Service waterfowl production areas or on U.S. Army Corps of Engineers land at Harlan County Reservoir unless the snare is set completely underwater.
- It is unlawful to use any bait in plain sight within 30 feet of foothold traps set on dry land. Bait is defined as fish, animal flesh, fur, hide, entrails, or feathers.
- Conibear-type traps with a jaw-spread larger than 5 inches may be used only when placed under water or at least 6 feet above the ground in the following areas:
  - Land owned or controlled by the Nebraska Game and Parks Commission
  - CRP-MAP lands
  - U.S. Fish and Wildlife Service waterfowl production areas
  - U.S. Army Corps of Engineers land at Harlan County Reservoir
  - County road right-of-ways

## CHECKING TRAPS

All traps set for furbearers must be checked as follows:

### **Once every two calendar days:**

- Metal spring traps and snares affixed to one-way, slide-wire drowning sets.
- Underwater snare sets that remain under water when fully extended.
- Underwater conibear-type sets.

### **Once every calendar day:**

- All others.

## TRAP TAGGING

Traps include snares, steel-jawed spring traps and box traps. It is unlawful to set any trap for furbearers or coyotes, unless such trap has the following information stamped or inscribed legibly onto the trap or onto a metal tag that is securely affixed to the trap:

- the valid driver's license number of the owner or user or
- the owner or user's Nebraska State Identification Card number applied for at Motor Vehicle Operator License Examiner's offices. Individuals 15 years of age or younger may use the driver's license or ID card number of a parent or guardian.

## RUNNING SEASONS

During the running seasons, bobcats, raccoons, red foxes, and Virginia opossums may be pursued or chased with hounds, but not killed.

## ARTIFICIAL LIGHTS

Artificial lights, that are not used from or attached to a vehicle or boat, may be used only while hunting on foot to take unprotected species, including coyotes, and the following furbearers: badger, bobcat, gray fox, long-tailed weasel, mink, Virginia opossum, raccoon, red fox, and striped skunk.

## TRAPPING AREAS

It is legal to trap statewide, with the following exceptions and considerations:

- Permission is required to trap on private land.
- Trapping is legal in the county road right-of-way, unless restricted in individual counties or portions of individual counties. Permission from the landowner is required.
- Allowed on state wildlife management areas, unless otherwise posted.
- Prohibited in marshes, lakes or other areas closed by federal, state or local laws or regulations.
- Prohibited on state and historical parks without special written permission.
- Allowed on state recreation areas, except within 100 yards of developed facilities, such as picnic areas, campgrounds, boat ramps, and parking areas.
- Prohibited on any dry land portion of Branched Oak or Yankee Hill state wildlife management areas before Dec. 15.
- Prohibited within 100 yards of any inhabited dwelling or feedlot and within 200 yards of any livestock crossing (road or bridge) without permission.
- Allowed on CRP-MAP lands.

## DISPOSAL OF FURS

- All furs must be disposed of within 10 days after the close of the season.
- To retain furs longer, written permission must be obtained from Game and Parks. An affidavit must be filed with Game and Parks within 10 days after the close of the season, describing the numbers and kinds of furs to be held.
- All furs shipped out of state by commercial carrier must have a special shipping tag available from any Game and Parks office.

## HUNTER ORANGE

- All hunters should wear hunter orange as a precaution in the field. Hunter orange makes hunters more visible to others in the field and is proven to save lives.
- Camouflage hunter orange patterns are legal if the minimum square inches requirement is met.

## TRANSPORTING AND POSSESSING GAME

- Pheasants and grouse must have head or one leg attached for identification purposes while in the field or returning home. All migratory game birds, except doves, must have one fully feathered wing or head plumage attached when in transport.
- If en route, no tags are required if licensee accompanies the game.
- It is unlawful to give, put or leave any game birds or game animals at any place or in the custody of another person unless the game is tagged with the following hunter information: (1) name, (2) phone number, (3) permit number or seal number, (4) estimated pounds of meat for deer, antelope, elk, or mountain sheep (5) species of birds or animals and total number of each, and if transferred by gift, and (6) signature of donor and name of recipient.
- It is unlawful to possess more than a possession limit of game birds or game animals taken on a hunt permit.
- It is unlawful to possess any live furbearers.
- It is unlawful to possess more than one daily bag limit of migratory game birds while in the field or when returning from the field to one's car, hunting camp, etc.
- If shipped by commercial carrier, game birds and game animals must be tagged with official tags. These tags are available from Game and Parks offices and conservation officers.

## DOG TRAINING

- For each dog involved in a session, no more than two hen pheasants and five quail may be harvested.
- It is permitted on private land, provided landowner permission is obtained and dog training rules are followed.
- It is unlawful for anyone to exercise, run, train, or hunt with dogs on state wildlife management areas during the period from May 1 through July 31 of each year, except on areas designated and specifically posted with "Authorized Dog Training Area" signs.
- Training or exercising dogs on areas designated and posted as a "Dog Trial Area" is prohibited; such areas are restricted for field trial use only.
- All game birds released for training purposes must be obtained from a captive wildlife permit holder or licensed nonresident breeder, and must be banded by the trainer or seller with official bands authorized by Game and Parks. Any person who

- purchases game birds from a captive wildlife permit holder or licensed nonresident breeder shall have in his or her possession a sales tag/receipt from the permit holder listing the date, species and number of birds purchased.
- Game birds obtained for dog training may be kept in captivity without a captive wildlife permit for a period not to exceed 14 days following date of purchase or receipt.

## WHEN IT'S UNLAWFUL TO SHOOT

### It is illegal to shoot:

- from any public highway, road or bridge, including the traveled surface and the right-of-way, whether on foot or from a vehicle,
- or attempt to shoot any bird, fish or other animal from an aircraft.

## WHEN IT'S UNLAWFUL TO HARVEST

### It is illegal to harvest:

- game birds by use or aid of live decoys,
- a legal limit of any species and return to take more of the same species in the same day,
- game birds or game animals or to hawk except during the legal shooting or hawking hours,
- furbearers other than with snares, metal spring traps with smooth jaws or box traps except that raccoon, red fox, gray fox, bobcat, badger, long-tailed weasel, striped skunk, mink, and Virginia opossum may be taken by firearm or bow,
- or hunt any wild animal or bird from or with a snowmobile,
- migratory game birds from a sink box, from any motorboat unless motor is shut off and boat stopped, from a car or other motor-driven land conveyance, from an aircraft, or from a sailboat unless the sail is furled and the boat is stopped,
- migratory game birds by driving or chasing them with any motorized conveyance to put them in range of hunters,
- any game bird, including migratory birds, with a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, fish hook, poison, drug, explosive, or stupefying substance.

## WHEN IT'S UNLAWFUL TO HUNT

### It is illegal to hunt:

- when trespassing on private land; get permission.
- as a party hunt; every hunter must shoot his or her own game.
- with a rifle within 200 yards of an inhabited dwelling or feedlot and hunt with all other equipment within 100 yards, unless permission has been granted by the owner or tenant.
- migratory game birds without making a reasonable effort to retrieve dead or crippled birds and including them in the daily bag; crippled birds must be killed immediately.
- or harvest any game birds by baiting or attracting them to the place where hunted by distribution of grain or other feeds. Federal regulations consider an area baited for 10 days after bait is removed.
- drive or disturb game birds or game animals with or from any aircraft or boat propelled by power or sail.
- harvest or trap any game bird from a vehicle.

OTHER UNLAWFUL ACTS

It is unlawful to:

- waste game.
- spotlight from a vehicle or vessel while in possession of a firearm or bow and arrow.
- dig, cut or destroy natural or planted vegetation on any state-owned or controlled area.
- cause game birds or game animals to depart from a game reserve or game sanctuary.
- use electrically amplified imitations of bird calls, including records, tapes, compact discs, and digital audio files, to take game birds unless allowed by conservation action for snow geese.
- sell or trade the meat of any game bird or game animal.
- communicate the location of any game animal or game bird by radio or other electronic device to or from any aircraft, vessel, vehicle, snowmobile, or other conveyance one day before or during the open season.
- carry a firearm, bow and arrow or other projectile device on a snowmobile, except when unloaded and in a case.

# HUNTING LANDS

## PUBLIC

Nebraska's public lands encompass nearly 800,000 acres on about 300 state and federal areas. Most of the land is owned by the federal government. Of the state-owned lands, about 47,000 acres have been purchased with proceeds from the sale of Nebraska Habitat Stamps. Nebraska's public hunting lands comprise 2 percent of the state's total land areas.

### Types of Public Lands:

#### State Wildlife Management Areas

- These areas are state-owned or managed.
- Hunting and trapping is allowed in season, unless otherwise posted.
- Portable tree stands shall not be installed, used or left in place from Feb. 1 through Aug. 31 on WMAs.
- It is unlawful to build or use permanent or semi-permanent tree stands that attach to any tree with nails, screws, bolts, or wire.
- Camping is allowed, unless otherwise posted.
- Fires are allowed only in fireplaces, grills or fire rings, where provided by Game and Parks.
- Use of propane or gas stoves and charcoal grills is allowed.
- Motorized vehicles are restricted to roadways, parking areas or trails designated for such use.
- Target shooting is allowed on most areas, unless otherwise posted.

#### State Parks and State Recreation Areas

- Portions of some of these state park areas are open to hunting from the first Tuesday following Labor Day through the end of the spring turkey hunting season, unless restricted.
- Special regulations apply.
- A park entry permit is required for each vehicle.
- State historical parks are closed to hunting.
- Hunting is prohibited within 100 yards of any public use facility or activity area, including picnic areas, campgrounds, private cabins, concession areas, boat ramps, and parking lots.

#### Waterfowl Production Areas

- These federal lands are purchased with Federal Duck stamp revenue.
- They are open to public recreation, but camping is prohibited.
- Special regulations may apply; visit [fws.gov/rainwater/](https://www.fws.gov/rainwater/).

#### National Forest, Federal Reservoir, Corp of Engineers, National Wildlife Refuge

- These are federally managed lands.
- Special regulations may apply.

Travel on U.S. Forest Service land: The U.S. Forest Service restricts all motorized travel on the Nebraska National Forest and Grasslands to designated roads or trails. Routes are designated "open" or "closed" for motorized travel. Cross-country or off-road uses of motorized vehicles are prohibited, unless routes or areas are designated open. Motor vehicle use for big game retrieval and dispersed camping is allowed within 300 feet of most roads and trails that are designated open. Areas in Nebraska include Bessey Ranger District near Halsey, McKelvie National Forest near Valentine, Pine Ridge

Ranger District near Chadron, and Oglala National Grasslands near Crawford. Refer to the Motor Vehicle Use Maps issued by the U.S. Forest Service. They may be obtained at all Forest Service District offices, by request at U.S. Forest Service, 125 N. Main St, Chadron, NE 69337, (308) 432-0300 or by visiting [fs.fed.us/r2/nebraska](https://fs.fed.us/r2/nebraska).

**Natural Resources District**

- These are local government entities.
- Special regulations may apply.
- Some NRD-owned lands are managed by the NRDs and some are managed by Game and Parks as WMAs.
- Some NRD lands are included in the Guide to Public Hunting Lands, but others may be available; contact the nearest NRD office.

**Private**

Most hunting and trapping in Nebraska is done on private land where trespassing is prohibited by law. Hunters and trappers must get landowner permission before hunting or trapping on private land. Lands enrolled in the programs below are published in the Nebraska Public Access Atlas.

**CRP-MAP**

Approximately 156,000 acres of private upland game/grassland habitat enrolled in the federal Conservation Reserve Program are open to public, walk-in hunting and trapping, without the requirement of landowner permission, through Game and Parks’ Conservation Reserve-Management Access Program.

**Public Access Atlas**

Pick up a 2010 Public Access Atlas at the nearest district office or permit agent and also download it at **[OutdoorNebraska.org](https://OutdoorNebraska.org)** .

**Open Fields and Waters Program**

This program opens private woodland and wetland habitats to hunters, allowing walk-in access without the requirement of landowner permission.

**CLOSED**

You may not hunt in, unless otherwise posted:

- state wayside areas,
- hatcheries,
- reserves,
- state and federal refuges,
- any roadway or highway, including the right-of-way.

## GAME VIOLATIONS

The Nebraska Legislature has passed statutes that increased the fines and penalties for a variety of game and fish violations. The new fines range from \$25 to \$15,000, depending on the severity of the violation and the species involved. The liquidated damages (assessed in addition to court costs) are set by the legislature as replacement costs for wildlife taken illegally. The damages apply to each animal taken illegally and apply to wanton waste. For a complete overview of the specific fines and penalties, visit **OutdoorNebraska.org**. Call Nebraska Wildlife Crimestoppers toll-free at (800) 742-7627 to report a game violation.
